Education

Invite a speaker to church to affirm the sanctity of life.

Invite others to For Life Live, LFL conferences, and other life events.

Find out how to start a Life Team and a Y4Life Team at your church and encourage others to join.

Create a location at your church where others can learn about life issues and how to be Gospel-motivated voices 4 Life.

Prepare a mid-week 4Life activity once a month for children, youth, and adults.

Day 8: You are Indispensable!

Getting started . . .

- Start a donation at your church for a For-Life ministry.
- Begin a Christian big-brother/big-sister program.
- Adopt a seminarian or other church worker and support them financially and through prayer.
- Hold a workday to aid a non-profit organization or family.

Create baptismal banners, posters, or quilts for those who are brought to faith.

Find ways to include people who are different from you in your life; start a conversation with someone you've never spoken to before.

Share an umbrella, hold a door, help someone clean up. Find a way to show someone you care.

Invite someone new to sit with you during church, bible study, or a congregational meal. Engage them in cheerful conversation, and listen to what they have to say.

Make phone call to a friend you haven't spoken to in a while.

Choose an activity from one of the previous days that you were unable to do, and do it today!

Forgive

Initiate forgiveness when others have offended you.

Offer

Offer to pray for people at your church or on your Life Team. Check back in with them to see how your prayers need to change over time.

Create

Gather

Gather the themed prayers for each day this week, and pray them throughout the coming month.

Pray
