Our Christian Response

Seeking forgiveness from others

We acknowledge the damage to the relationship when we sin against our neighbor.

Then we quickly seek forgiveness and attempt to reconcile the relationship with the help of God.

Repentance before God

We actively pay attention and honestly self-reflect to become aware of wrongdoings.

Then we pray for a contrite heart and humbly admit our sins committed against God and our neighbors.

Offering forgiveness

Do not wait to feel like forgiving but quickly forgive one another as God has forgiven you.

Continue to forgive as often as your neighbor seeks forgiveness for sins committed against you, even if it's seventy times seven.
